

JANARDAN SINGH CHAUHAN

Ph.D. · M.Tech. (Foundation Engineering) · M.B.A.

Senior Professor of Civil Engineering & Former Director

Samrat Ashok Technological Institute (SATI), Vidisha, Madhya Pradesh 464 001, India

jsscivil@rediffmail.com · +91 98262 44840 · jsscivil.github.io

PROFILE

Civil engineer and academic leader with four decades across industry, research, teaching, and institutional administration. Senior Professor and former Director (2016–2022) of Samrat Ashok Technological Institute (SATI), Vidisha — one of India's oldest engineering institutions (est. 1960). A pioneer of low-cost, sustainable building materials and cost-effective construction technology in central India: founded and led a HUDCO-approved building technology centre whose methods were nationally recognised and disseminated internationally through UNCHS (UN-Habitat). Supervisor of 13 completed doctoral theses; author of 80+ research papers and 12 books; holder of three granted patents (one UK, two Indian); principal investigator or coordinator of 23+ sponsored projects funded by national agencies and ministries. Member Secretary of the Indian Social Science Congress and President of the Civil Engineering Technology Development Centre.

RESEARCH INTERESTS

Affordable housing & alternative building materials — low-cost, waste-derived and energy-efficient materials; cost-effective construction techniques

Foundation engineering — soil-structure interaction and foundations under vibratory loading

Sustainable & green buildings — thermal performance, energy-efficient design, green construction concepts

Highways & transport infrastructure — pavement quality, rural road design, GPS and geoinformatics applications

Trenchless technology — subsurface infrastructure development and no-dig methods

Disaster management & retrofitting — earthquake-resistant construction and structural retrofitting of existing buildings

Construction management — project economics, quality assurance, TQM in construction and education

Green hydrogen — emerging interest — hydrogen in the built environment and infrastructure

EDUCATION

Ph.D., Civil Engineering · Barkatullah University, Bhopal 1999

Thesis: "Comparative Study on Techno-Economic Aspects & Thermal Performance of Experimental and Conventional Housing Construction Techniques"

M.B.A. (Consortium Programme) · Devi Ahilya Vishwavidyalaya, Indore 1997

First Division with Honours — 90.0%

M.Tech., Civil Engineering — Foundation Engineering (Applied to Vibratory Systems) · Maulana Azad College of Technology (M.A.C.T.), Bhopal — now MANIT, a National Institute of Technology 1996
First Division — 72.6%; degree awarded by Barkatullah University, Bhopal

B.E., Civil Engineering · Samrat Ashok Technological Institute (SATI), Vidisha 1991
First Division with Honours — 81.2%; degree awarded by Barkatullah University, Bhopal

Diploma in Civil Engineering · M.P. Board of Technical Education, Bhopal 1983
First Division with Honours — 84.4%

ACADEMIC & PROFESSIONAL APPOINTMENTS

Senior Professor, Department of Civil Engineering, SATI, Vidisha Feb 2022 – present
 Senior-most professorial grade; research, doctoral supervision and postgraduate teaching in civil engineering.

Director (Head of Institution), SATI, Vidisha Aug 2016 – Feb 2022
 Chief executive of an autonomous, NAAC-accredited engineering institution (est. 1960; foundation stone laid by Prime Minister Jawaharlal Nehru; alumni include Nobel Peace Laureate Kailash Satyarthi). Institute was selected under the World Bank-assisted TEQIP-III programme (₹15.5 crore) during this tenure.

Vice-Principal & Officiating Director, SATI, Vidisha Aug 2015 – Aug 2016
 Institution-level administration; period of the institute's NAAC accreditation (March 2016).

Head, Department of Civil Engineering, SATI, Vidisha Sep 2002 – Aug 2016
 Led the department's teaching, laboratories, sponsored research and industry consultancy for fourteen years.

Head, Department of Management, SATI, Vidisha Jul 2001 – Oct 2006
 Concurrent charge; built the institute's management programme.

Professor of Civil Engineering, SATI, Vidisha 2000 – 2022
 Elevated to the professorial grade in 2000; the departmental and institutional headships below were held concurrently.

Reader, Department of Civil Engineering, SATI, Vidisha 1995 – 2000

Project Engineer & Lecturer, SATI, Vidisha 1992 – 1995
 Anchored the HUDCO-approved Civil Engineering Technology Development Centre (CETDEC) from its early years.

Assistant Engineer, M/s Ankur Construction Company, Vidisha 1985 – 1992
 Seven years of field construction practice prior to academia.

ADMINISTRATIVE LEADERSHIP

Director, Samrat Ashok Technological Institute, August 2016 - February 2022
 Chief executive of a grant-in-aid autonomous institution of the Government of Madhya Pradesh, founded in 1960, with nine engineering departments and postgraduate programmes.

Accreditation & autonomy

Declared an autonomous institution by the University Grants Commission in 2015-16; NAAC accreditation in 2016; NBA accreditation for Mechanical and Electronics & Instrumentation Engineering in 2018, and for Civil and Computer Science Engineering in 2021.

Centres of Excellence

Nine established across the institute — cost-effective building materials & construction techniques; advanced geopolymers concrete; additive manufacturing; embedded design & simulation; LabVIEW academy; virtual instrumentation & IoT; artificial intelligence & machine learning; the Ramanujan Design Centre; and non-violence & peace in education.

National programmes

SATI was one of 92 institutions nationwide to secure a TEQIP-III grant (₹15.5 crore, World Bank-assisted), and placed first in India in the programme's 2019 performance audit, earning further allocations of ₹1.5 crore (2019-20) and ₹1.0 crore (2020-21). Made nodal centre for the Ministry of Education's Smart India Hackathon Grand Finale, 2020.

International & industry partnerships

Twenty-four memoranda of understanding signed 2015-2020, including Louisiana Tech University, Ruston, USA (2020); the National Highway Authority of India; CSIR-AMPRI Bhopal; VNIT Nagpur; the Construction Industry Development Council; and the Indian Society for Trenchless Technology.

Convening

Host of the 44th Indian Social Science Congress, March 2021; of an international seminar with HUDCO on Formal Solutions to Informal Settlements, 2019, with delegates from 22 countries; and of international conferences on signal processing (2016), building materials and technology (2018) and non-violence and peace (2019). Approximately 200 webinars, expert talks and short-term training programmes were organised through the pandemic.

Institutional recognition

Appreciation in construction technology at the 23rd CIDC Annual Day, New Delhi; ISTE Delhi Best Chapter Award; All India Council award for Robotics & Automation presented at IIT Delhi for performance in science, technology, engineering and mathematics.

Administration

Examination reform reduced semester result declaration to 48 hours; a graduation ceremony was instituted; twelve collaborative research projects placed in progress; a National Incubation Centre for Agricultural Products established (2019).

CENTRE LEADERSHIP — CETDEC

Founded in 1991 on the SATI campus as a HUDCO-approved institutional building centre, the Civil Engineering Technology Development Centre (CETDEC) demonstrates and propagates experimental housing using low-cost, innovative construction techniques and alternative building materials. Its work attracted a KfW (German) grant of ₹12.60 lakh (1995) and a Mobile Building Centre grant of ₹13.13 lakh (1999) through HUDCO, and it has executed construction worth ₹1.5 crore for the district administration. Dr. Chauhan has anchored the Centre since 1992 and serves as its President.

RESEARCH SUPERVISION (AS OF 2023)

Ph.D. theses — 13 awarded · 3 in progress

M.Tech. theses — 132 guided

M.B.A. dissertations — 52 guided

PATENTS

United Kingdom patent — 1 granted

Indian patents — 2 granted

Patent applications — 2 filed (India)

Patent numbers, titles and grant dates available on request.

SPONSORED RESEARCH, DEVELOPMENT & CONSULTANCY PROJECTS

1. **Establishment of the Building Centre (CETDEC).** HUDCO, New Delhi; Project Engineer. 1992-93 · ₹5.00 lakh.
2. **KfW grant for experimental low-cost housing technology.** HUDCO — KfW (German) Grant; Coordinator. 1995-96 · ₹12.60 lakh.
3. **Experimental construction — F-type quarters (planning, supervision & construction).** National Buildings Organisation, New Delhi; Lead. 1995-96 · ₹16.00 lakh.
4. **Major Research Project — Comparative study of thermal performance of experimental & conventional housing techniques.** University Grants Commission, New Delhi; Coordinator. 1995-96 · ₹3.70 lakh.
5. **Development of low-cost construction building materials & technologies.** AICTE, New Delhi (TAPTEC); Coordinator. 1996-97 · ₹7.00 lakh.
6. **Waste management, effluent treatment and recycling.** AICTE, New Delhi (TAPTEC); Coordinator. 1996-97 · ₹4.00 lakh.
7. **Experimental construction — “Kabir Kutir” demonstration housing.** HUDCO, New Delhi; Lead. 1997-98 · ₹22.00 lakh.
8. **Sericulture sheds — experimental construction.** District Collector, Vidisha; Lead. 1997-98 · ₹15.00 lakh.
9. **Primary school buildings — experimental construction.** Rajiv Gandhi Shiksha Mission; Lead. 1997-98 · ₹15.00 lakh.
10. **Computer-aided design in civil engineering.** AICTE, New Delhi (TAPTEC); Principal Investigator. 1999-2000 · ₹8.00 lakh.
11. **Mobile Nirmitti Kendra (mobile building centre).** Ministry of Urban Affairs, GoI; Coordinator. 1999-2000 · ₹13.13 lakh.
12. **Rural Building Centre.** Ministry of Rural Development, GoI; Coordinator. 2001-02 · ₹12.00 lakh.
13. **Technology Park.** HUDCO, New Delhi; Coordinator. 2001-02 · ₹7.50 lakh.
14. **Rural housing & habitat development.** Ministry of Rural Development, GoI (Innovative Stream); Coordinator. 2001-02 · ₹10.50 lakh.
15. **Energy Park.** Ministry of Non-Conventional Energy Sources, GoI; Coordinator. 2002-03 · ₹5.00 lakh.

16. **Major Research Project — Energy-efficient building.** University Grants Commission, New Delhi; Investigator. 2002-03 · ₹5.08 lakh.
17. **Model Basti (model settlement).** Ministry of Rural Development, GoI; Coordinator. 2002-03 · ₹8.00 lakh.
18. **Modernisation of the Environmental Engineering Laboratory.** AICTE, New Delhi (MODROB); Coordinator. 2003-04 · ₹8.00 lakh.
19. **National Habitat Centre on Subsurface & Trenchless Technology.** AICTE, New Delhi (NAFETIC); Coordinator. 2005-06 · ₹15.00 lakh (total project cost ₹1.08 crore).
20. **International conference support & development of the CETDEC laboratory.** AICTE, New Delhi; Coordinator. 2007-08 · ₹3.00 lakh.
21. **Modernisation of the Civil Engineering Laboratory.** AICTE, New Delhi (MODROB); Coordinator. 2007-08 · ₹8.50 lakh.
22. **National Retrofitting Clinic.** AICTE, New Delhi (NCP); Coordinator. 2008-09 · ₹30.00 lakh.
23. **Third-Party Quality Assurance (TPQA) consultancy for public works.** Central Public Works Department, Bhopal; Lead Consultant. 2015 · ≈₹1.50 crore.

Representative list; additional smaller projects omitted. Aggregate sponsored funding above ₹3.8 crore across 23+ projects from 12+ national agencies (HUDCO, AICTE, UGC, NBO, CPWD, and Ministries of Rural Development, Urban Affairs and Non-Conventional Energy).

Books

12 books published; 2 in progress (as of 2023).

Author/subject-matter editor of a 12-volume technology-dissemination pocket-book series published by HUDCO, New Delhi, for grassroots construction workers — graphical guides to twelve cost-effective technologies (filler slabs; brick panels & joists; ferrocement roofing channels & doors; rat-trap bond masonry; rammed-earth walls; arches & vaults; arch foundations; micro-concrete roofing tiles; water-storage tanks; cement-concrete/stone blocks). Planned for worldwide circulation through UNCHS (UN-Habitat).

HONOURS & AWARDS

National Recognition & Silver Plaque, HUDCO Silver Jubilee	1995
<i>for outstanding work in low-cost housing by the Building Centre led by Dr. Chauhan; presented by the Hon'ble Union Minister for Urban Affairs & Employment, New Delhi</i>	
Certificate of Excellence & Gold Medal, Friendship Forum of India, New Delhi	2008
<i>for outstanding achievements in low-cost civil engineering and services promoting India-international cooperation</i>	
Fellow, Temasek Foundation-NUS Programme for Leadership in University Management	2015
<i>National University of Singapore</i>	
Building Centre Achievement Award, Shelter Group, Calcutta	1994
<i>for the achievements of the CETDEC building centre</i>	
Annual Award for Extraordinary Performance, Director, SATI	1992-2004
<i>conferred every year from 1992 to 2004</i>	

Second-Best Exhibition Stall, CSIR National Workshop on Rural Technologies, Bhopal

1996

exhibition inaugurated by the Hon'ble Chief Minister of Madhya Pradesh

CONFERENCES & TRAINING PROGRAMMES ORGANISED (SELECTED)

International Conference on Management of IT & Infrastructure Development for Flexibility & Competitiveness — <i>RGPV, Bhopal</i>	2005
International Seminar on Retrofitting & Buildings to Withstand Earthquake and Green Construction Concept — <i>M.P. Academy of Administration, Bhopal (with IndSTT & EPCO)</i>	2006
National Seminar on Waste Management — <i>SATI, Vidisha</i>	1999
National Seminar on Energy-Efficient Buildings — <i>Dept. of Civil Engineering, SATI</i>	2004
National Seminar on Awareness of Sub-surface & Trenchless Technology — <i>CETDEC, SATI</i>	2004
National Workshop on Scientific Solutions for Waste Management & Pollution Control — <i>SATI, Vidisha</i>	2004
National Seminar on Infrastructure Development in Madhya Pradesh & Chhattisgarh — <i>RGPV, Bhopal</i>	2005
National Conference on Sustainable & Durable Options for Pavements — Quality Control for Road Construction — <i>CETDEC, at Hotel Lake View Ashok, Bhopal</i>	2010
National-level symposium “Anveshan-11” — <i>Dept. of Civil Engineering, SATI</i>	2011
Workshop on Water Conservation & Rehabilitation of Rivers in India (with Magsaysay laureate Dr. Rajendra Singh, the “Waterman of India”) — <i>SATI, Vidisha</i>	2016
Staff development programmes for engineering teachers — new building materials (2001, 2004), intelligent & green building materials (2009), cost-effective construction (2010), economy in sustainable construction (2013) — <i>SATI, Vidisha</i>	2001-13
Two-tier re-skilling programmes for masons, artisans, engineers & building-centre project managers on alternative construction technologies; annual self-employment training for rural & urban youth — <i>CETDEC, SATI</i>	1996-2010
Three-day training programme on remote sensing, GIS & surveying; seminar with Central Water Commission — <i>SATI, Vidisha</i>	2016

INTERNATIONAL ENGAGEMENTS

Louisiana Tech University, Ruston, USA — institutional memorandum of understanding signed as Director of SATI	2020
Imperial College London — collaboration discussions with civil engineering faculty	2004
Glasgow Caledonian University, UK — meetings on a job-oriented training programme for civil engineering students	2004
WRc (Water Research Centre), Swindon, UK — collaborative programme on sewerage & water supply	2004
National University of Singapore — Temasek Foundation-NUS leadership fellowship	2015
Kielce University of Technology, Poland — invited participation, international trenchless-technology conferences	2005, 2006
Professional engagements across 13 countries: Germany, United Kingdom, France, Switzerland, Italy, Sweden, Finland, Poland, China, Singapore, Thailand, Sri Lanka, and India.	

PROFESSIONAL MEMBERSHIPS

- Life Member, Indian Society for Technical Education (ISTE), New Delhi — 1993
- Life Member, The Institution of Engineers (India) — 2002
- Life Member, International Society for Rock Mechanics — 2002
- Life Member, Indian Roads Congress — 2004
- Life Member, Indian Society for Trenchless Technology (IndSTT) — 2004
- Life Member, Indian Society for Wind Engineering — 1998
- Life Member, Institute of Urban Transport (India) — 2001
- Life Member, Indian Science Congress Association, Kolkata — 2003
- Life Member, Association for Environmental Management — 1996
- Life Member, International Council of Consultants (ICC) — 2004
- Life Member, Council for Application of Actuarial Science in Risk Management (CARM) — 2004
- Life Member, All India Housing Development Association, New Delhi — 2004
- Life Member, Global Institute of Flexible Systems Management (GIFT), New Delhi — 2004
